*By the session:* \$440 with own horse or \$500 using one of our horses

**CONTACT :** The JE Team 02 6456 7333 OR [enquiries@equestrianresort.com.au](mailto:enquiries@equestrianresort.com.au)

JE Resorts carefully tailored program's will enable local kids to partake in a wholistic approach to learning about horses from the ground to the saddle and all the important things in between.

Conducted in our world class equestrian facility. The program consists of a good balance between theory and practical applications such as safety around horses, catching and tying up, care of tack, rugging and feeding the horse for optimum health, grooming and prep for events and gymkhanas.

Riding will include ground work, games and exercises on horse back, jumping, obstacle courses and scenic trail riding.

Emphasis will be on learning in a fun, friendly and active environment suited to each riders ability and interests.

Our programs have been structured to ensure children enjoy themselves whilst developing the confidence and skills of competent equestrians no matter what type of riding they wish to pursue. Each term of riding club will finish with a friendly gymkhana.

Our restaurant is also open for coffee, tea, snacks, meals and takeaway.

Private lessons are also available. Please enquire for more information.
